

**Raintree Plantation Maintenance Department**  
**Report of activities for April 2024**  
**Board Meeting**

- We are preparing the campgrounds, Pavilion, bathhouse and Beach area for summer traffic.
- Completed crack filling project on Autumn Lake Dam per DNR requirements.
- Porta Potties are installed.
- Cleaned up washouts from heavy rains and removed trees down on roads from high winds.
- We have started transitioning over to spring grass cutting when weather and work load permit.
