

# **RULES REPORT**

**JUNE 2024**

**A Rules Committee meeting was held on Monday, June 10th to discuss procedures and processing certain violations.**

**The Committee agreed that security violations (beach parking without proper or properly affixed stickers, etc.) would not require Committee review as they are accompanied with photos and violations are clear cut.**

**Violations that have been submitted will be reviewed IF violation has not been complied with and a censure is pending.**

**Want to thank the Committee for their participation and input and Laura Briese for her extensive note taking and detailed minutes.**
